Dear Dr. Kromp:

As discussed with you and other members of the Delegation of the Austrian Government, this letter is to confirm the retention of the firm of Spiegel & McDiarmid for legal assistance to the delegation in its efforts regarding the United States Government's potential guarantee of financing for the Temelin Nuclear power plant, located near the Austrian border in the Czech Republic.

As discussed, the terms for retention, at least initially, shall be as follows:

1. the period of retention will be from February 19, 1994 through February 23, 1994
2. the retention shall be at the rate of \$160 per hour for my services, up to a maximum of 40 hours for the period. In addition, we shall bill at our costs routine expenses (for example, telephone calls, local transportation, etc.). To the extent that services of other attorneys or paralegals are required, we propose to bill them at a rate of \$160 per hour or less depending upon their seniority.

We understand that this agreement between Spiegel & McDiarmid and the University of Vienna's project for nuclear safety will be for work on behalf of the Austrian Government Delegation to the United States regarding the Temelin matter.
